THE MASTERPIECES OF TENIERS THE YOUNGER

(1610-1690)

Sixty reproductions of photographs from the original paintings by F. Hanfstaengl, affording examples of the different characteristics of the Artist's work

GOWANS & GRAY, LTD.
5 ROBERT STREET, ADELPHI, LONDON, W.C.
58 CADOGAN STREET, GLASGOW
1912

First Edition, September, 1905. Reprinted, December, 1905, August, 1906. Second Edition, February, 1907. Reprinted, August, 1907. Third Edition, September, 1908. Reprinted, September, 1909, March, 1912.

BEFORE printing the third edition of this volume the Publishers submitted it to Mr. E. W. Moes of the State Print-Room, Amsterdam, by whose advice two of the old pictures were replaced by others, and the selection now contains only paintings which that well-known art critic considers to be genuine. The Publishers beg to express their thanks to Mr. Hanfstaengl for the readiness with which he has permitted them to make use of his valuable collection of photographs. Many lovers of Art will no doubt wish to possess larger copies of some of the pictures than those given in this little book, which are necessarily very small. The Publishers beg to refer such readers to pages 65 et. seq., *for particulars.*

MEISTERWERKE
IN TASCHENAUSGABEN

Mit Einleitungen von
RICHARD M. MEYER,
Professor an der Universität Berlin.

This series is intended to supply readers of German with some of the greatest works of German literature, and these only, printed in an attractive, handy, and cheap form in accordance with English tastes, but edited by a great German critic.

The volumes are printed in ROMAN type; as there is no doubt the study of German in this country has been much hindered hitherto by fear of damage to the eyes from reading Gothic type.

As the publishers anticipated, this selection has been a very great success, and is now the favourite Anthology of French Poetry. . . . . .

A delightful pocket companion for the classical scholar, the book will also be found of the greatest value to teachers for awakening in the student a genuine love for the best poetry. . . . . .
